## kolokacija

Šta su kolokacije i kako će vam pomoći da brže savladate engleski

# Šta su kolokacije?

- Kolokacije su kombinacije reči koje se često pojavljuju zajedno.

Na primer možemo reći **make a decision** (doneti odluku), ali ne možemo reći bring a decision.

- Zašto su kolokacije važne?

Ako ste nekada učili strani jezik, videli ste da nije dovoljno da znate veliki broj reči na tom jeziku da biste mogli da ga tečno govorite - treba da znate **koje reči** mogu da stoje **zajedno** u rečenici.

- Kako će vam kolokacije pomoći da brže savladate engleski?

Učenjem kolokacija umesto pojedinačnih reči brže i lakše ćete savladati engleski, uz manje napora dobićete bolji rezultat
